

WAIT! WAIT WAIT  
WAIT WAIT! THIS  
WASN'T FAIR!

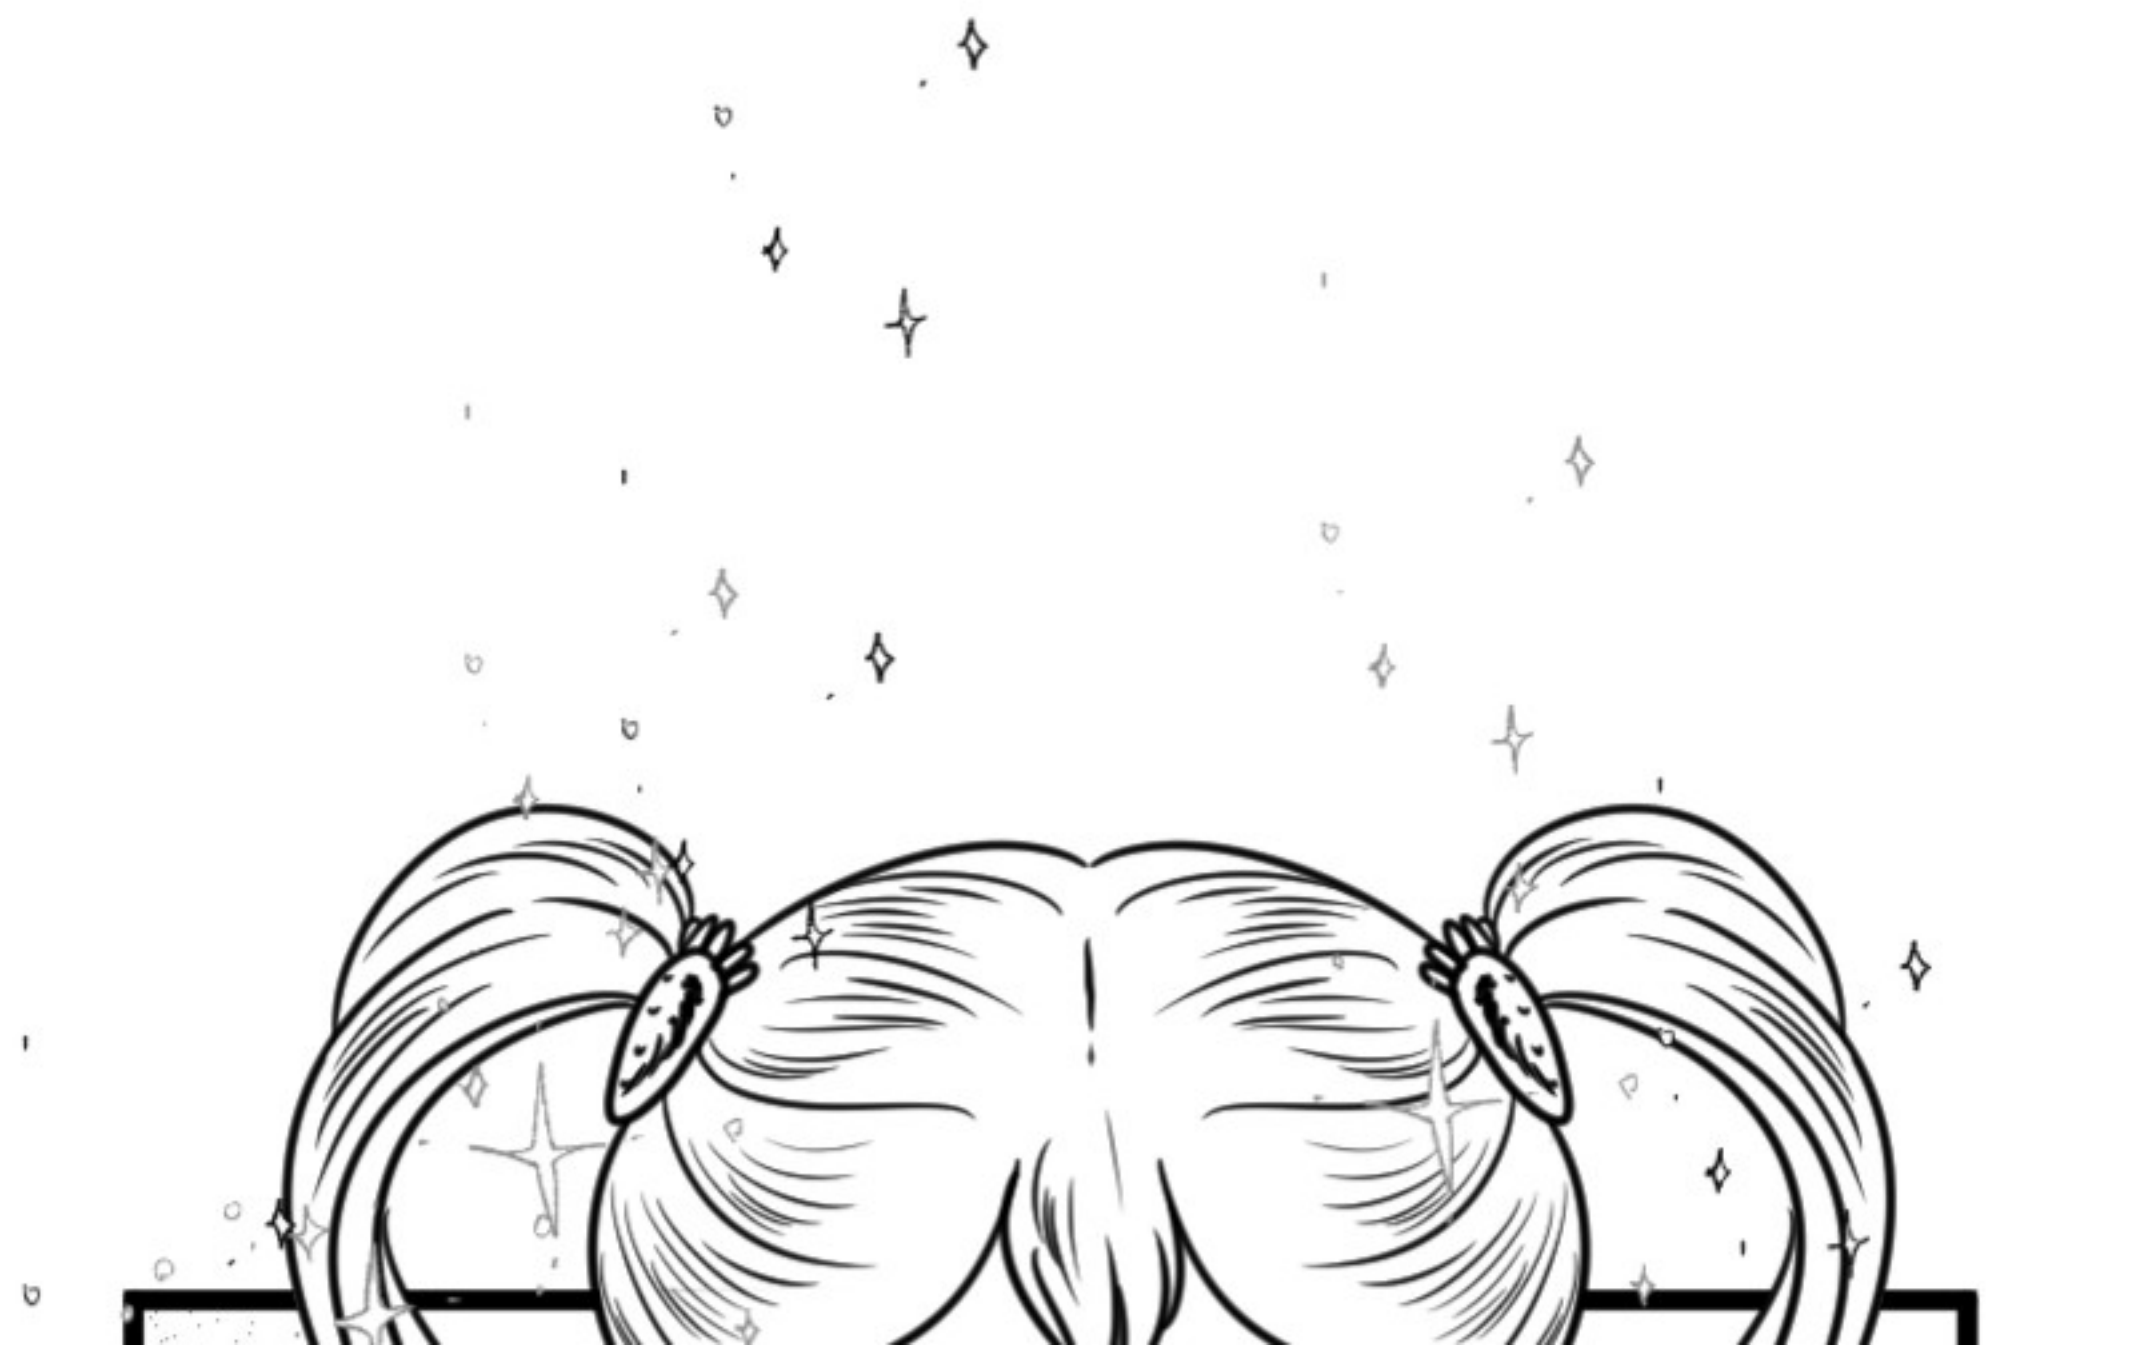

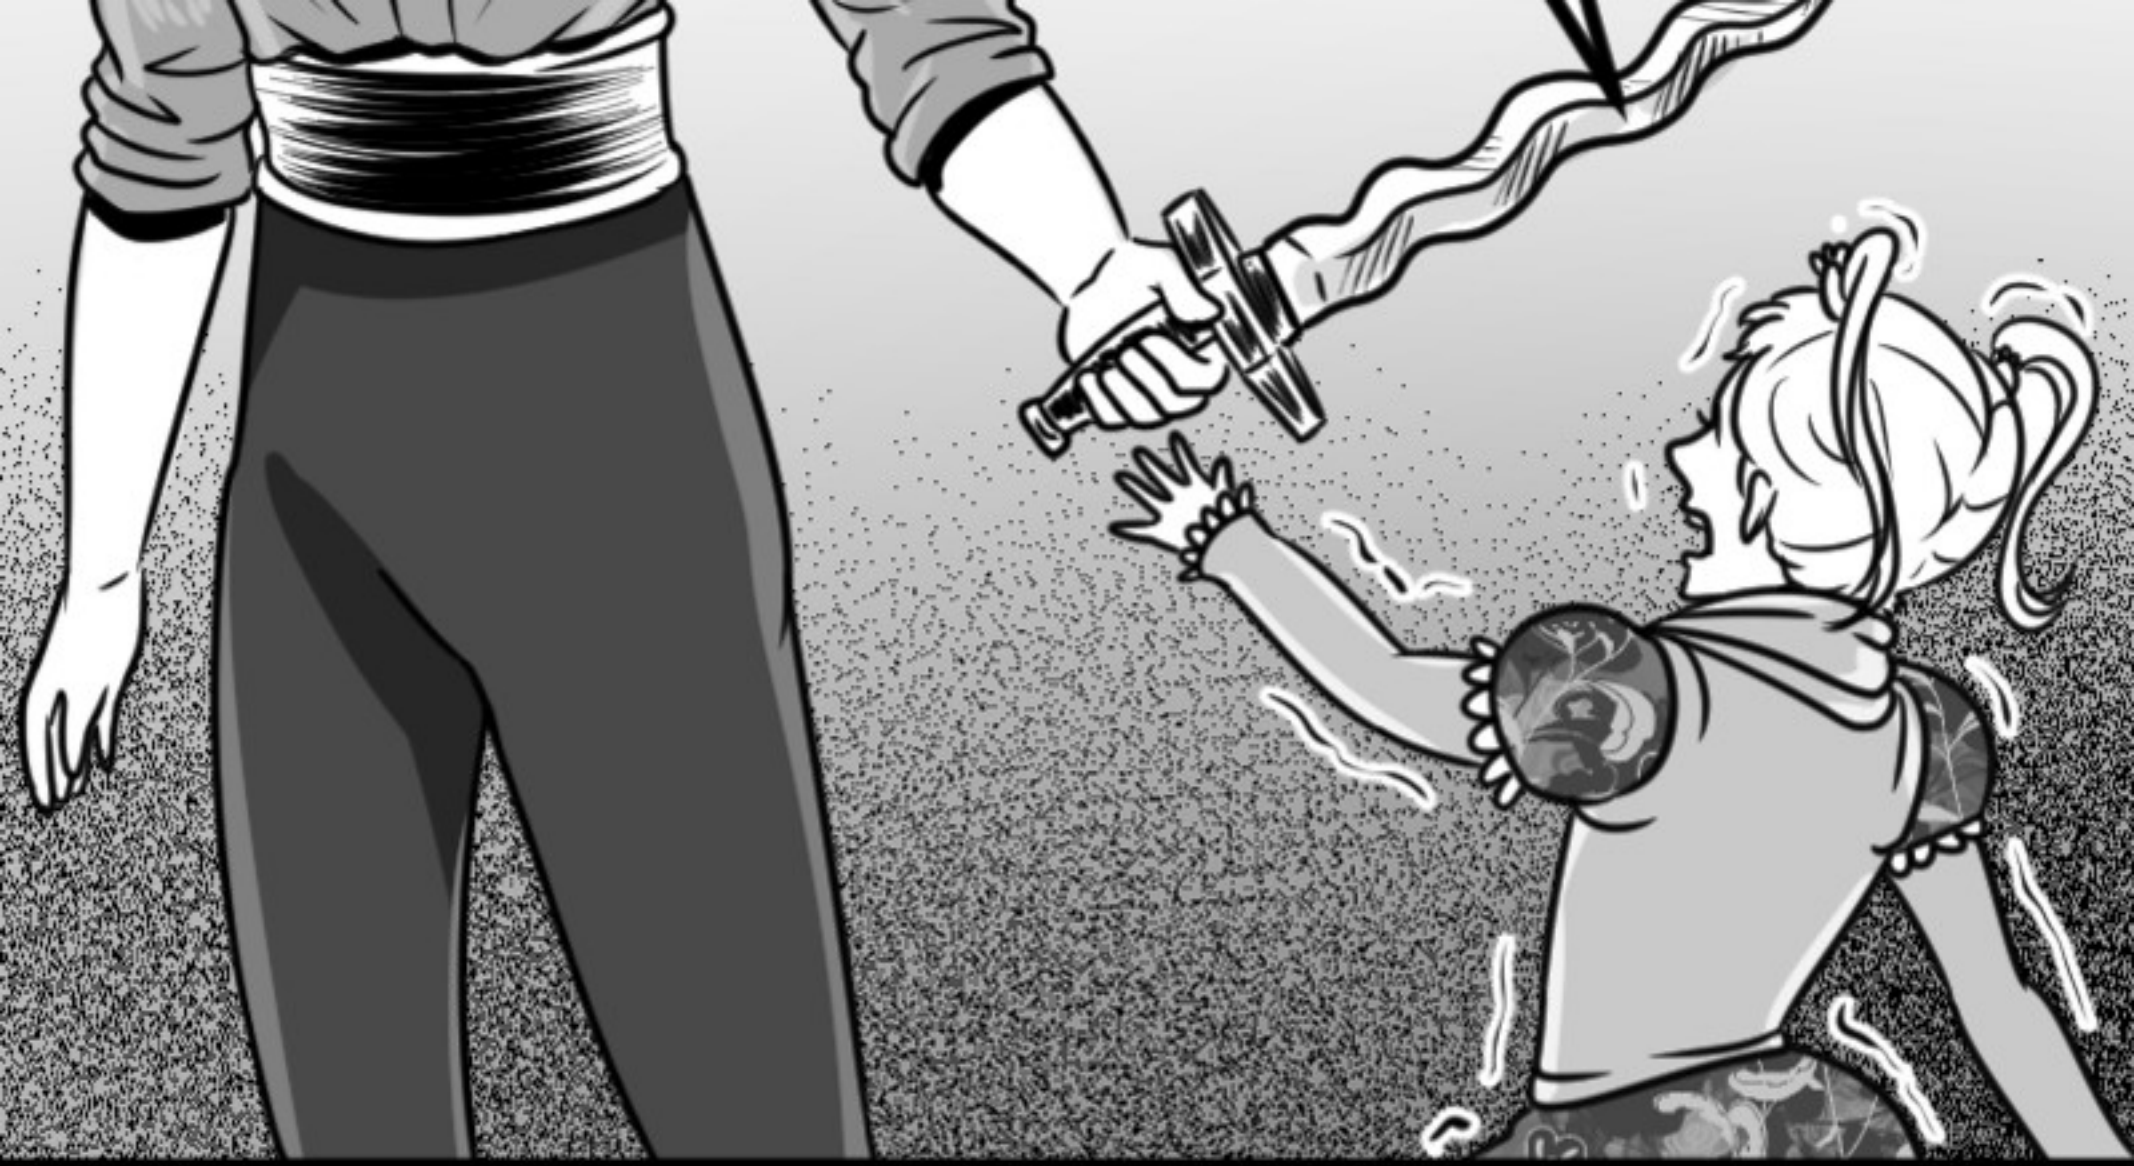

C'MON! WE CAN  
FORGET THIS.  
HOW ABOUT WE JUST  
TEAM UP INSTEAD?  
TOGETHER...  
YOU, AMI, ME?

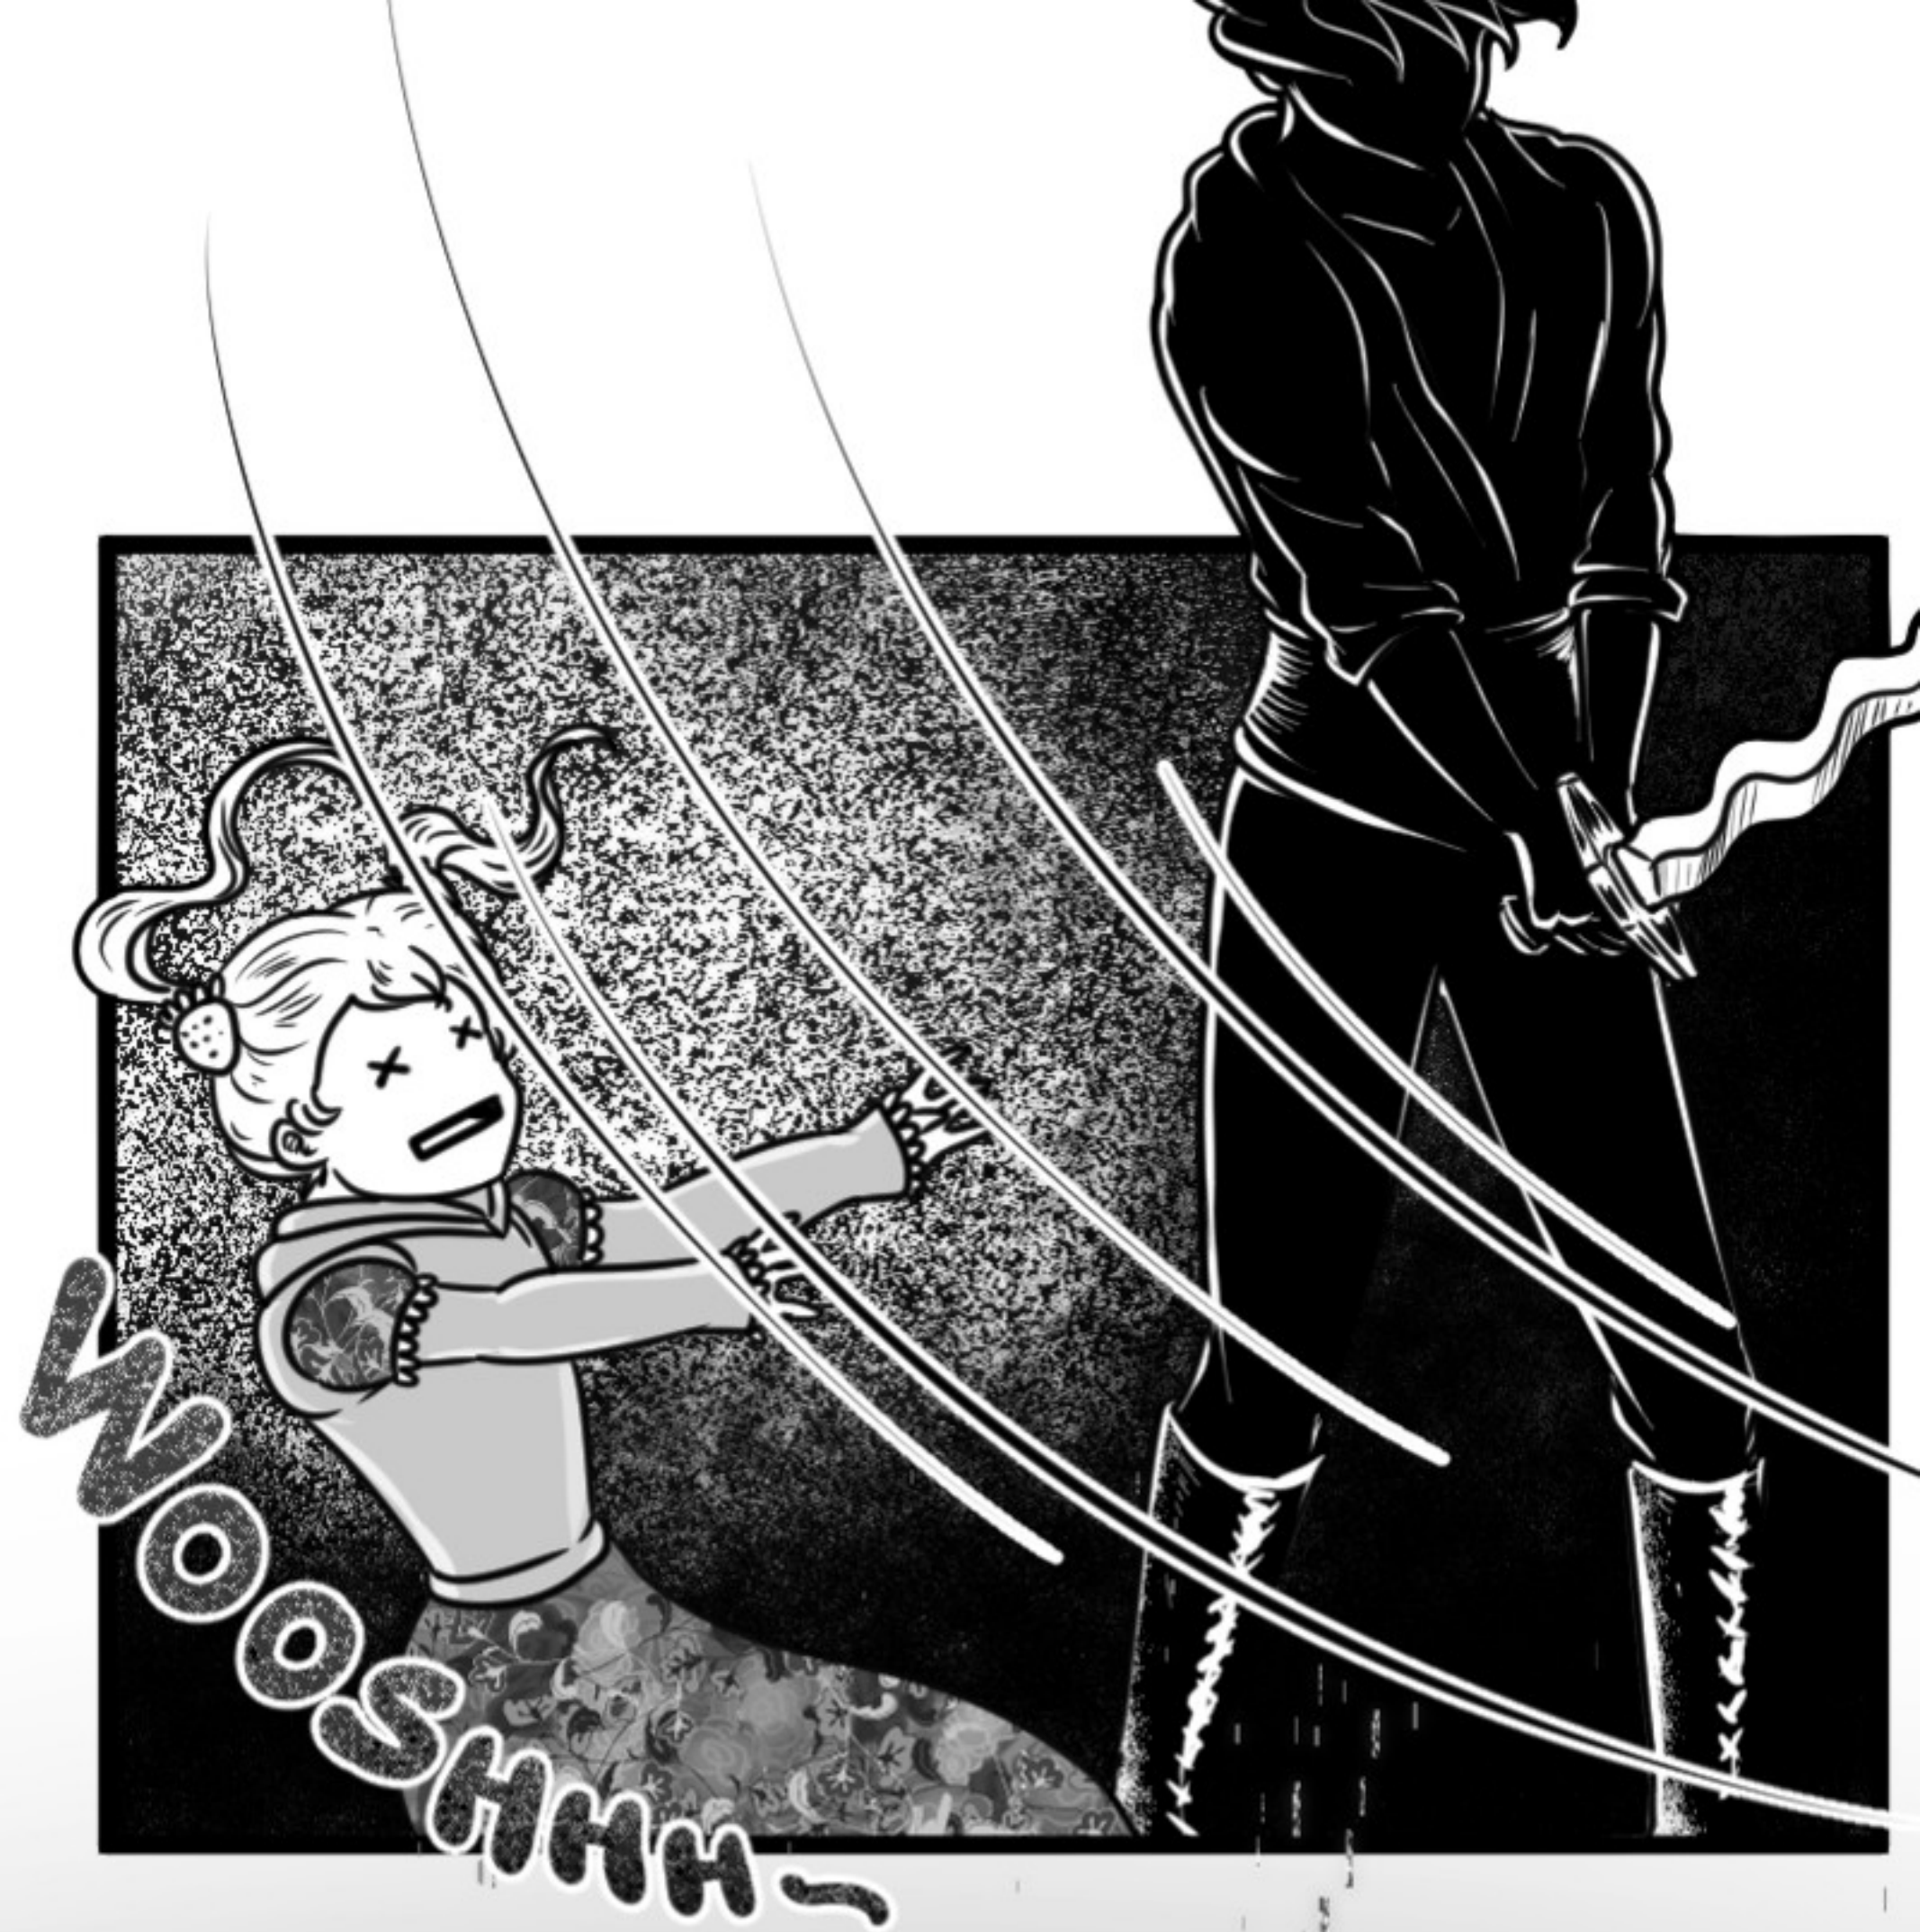

WAIT... PLEASE.  
WE'RE BROTHER  
AND SISTER.  
YOU CAN'T DO  
THIS TO ME!

**HEROES  
WIN!**

1. The cat's face is the central focus of the illustration, rendered in a dark, high-contrast style. The cat has large, expressive eyes and a wide, open mouth showing its tongue. The illustration is centered on a black background, with several small, white, rectangular labels placed around it, likely indicating specific features or parts of the cat's anatomy.

2. The cat's face is the central focus of the illustration, rendered in a dark, high-contrast style. The cat has large, expressive eyes and a wide, open mouth showing its tongue. The illustration is centered on a black background, with several small, white, rectangular labels placed around it, likely indicating specific features or parts of the cat's anatomy.
